Arkansas, 1880.
You're the roughest, toughest, bounty-hunter that ever toted a shootin'iron. You must round up a gang of the meanest bandits. If you get them, their boss'll be paying you a visit. Some folk says he's faster and deadlier than a rattle snake. So you'd better be ready for a final showdown at High Noon. When the smoke clears who's gonna be left standing –
YOU or HIM!!!

"OUTLAW is absolutely brilliant fun. Excellent value."
